Critical Care Nurses Society from its inception has revolutionized the proceedings of its Conferences and educational programs, though the hardcore intent of any educational program is to empower Nurses in Cognitive, Psychomotor & Affective domain. Critical Care Nursing is undergoing the biggest transition which was well evident during the Pandemic. Through this carefully crafted Program of one day, the main objective is approached in a different manner. CCNS Mastermind and Sensitization Sessions had been the unique feature of CCNS Conferences. Looking forward to meeting at Kohinoor Hotel & in large group on virtual platform.

Hurry up!! Register & Empower Yourself
