Ms RADC Karunaratne RN RM
President - SSCCN

PRESIDENT'S MESSAGE

On behalf of the Sri Lankan Society of Critical Care Nurses (SSCCN) I warmly welcome you to the **CriNurConColombo 2018**, the international critical care conference along with the fourth annual scientific sessions of SSCCN ..

Conferences tend to be integrative across the various disciplines, to cover the current hot topics in many multi-disciplinary aspects of critical care nursing providing a forum for active interactions among participants.

All activities in the organization of **CriNurConColombo 2018** conference have been oriented to fulfill those goals motivating the nurses in clinical and research work.

The international faculty from Australia and UK will bring the latest critical care nursing practices in this truly international high-quality scientific session.

CriNurConColombo 2018 will attract more than 150 participants from Sri Lankan and other regional ICUs.

Come join us and feel the difference in the critical care nursing event of the year in Sri Lanka. See you at the **CriNurConColombo 2018**.
